Written by Stevie Wonder, one of the greatest songwriters of all time, this song is an old favorite that we have performed over the years as an instrumental. We sincerely hope you enjoy this fresh, funky and jazzy version, which is the first single release from a comprehensive and exciting new project featuring a wide array of music industry greats and legends.

Recorded at Capitol Studios in Hollywood by Steve Sykes

Additional recording by JJ Blair (Fox Force Five Studios), Carmen Grillo (Big Surprise Music)  
Jimmy Branly (Branly Studios), Dennis Moody (Dennis Moody Studios)

Mixed at Rupert House Studios by Steve Sykes  
Mastered by Peter Doell for After Master  
Album Art by Amanda Jo Nagle
